DEDICATION

To Mr. Frank Phillips, who has given 47 years of his life to the furtherance of education, we dedicate this book. He has labored long and untiringly with the result that many of his former students are now actively engaged in his chosen profession.

The field of education plays a key role in the curriculum of a liberal arts school such as Monmouth. The future is strongly dependent upon it. Men such as Mr. Phillips have, by their encouraging and sympathetic manner, aided us along the road of higher knowledge.

THE PRESIDENT'S MESSAGE

Years have a way of acquiring distinctive qualities. Every one of the 105 years of Monmouth's history has been a little different from every other year. For many on our campus, 1957-58 will stand out as a year that will always be different from all the others. Was it the unusually cold winter? A college career begun — a college career completed — grave decisions made — special honors achieved — the giving and receiving of a diamond — or was it new horizons glimpsed and new motivation acquired? In any event, it is fine that all year long writers and photographers have been observing the moving events, from month to month, and have carefully catalogued them in this book which will give us a valued and permanent record.

For years to come we will be turning to this book to check on scores, on names and faces and dates, and simply to recall some of the high moments of a college career. This book will tell us that this was the year that certain members of the faculty came to the college, and it will remind us as well of those who for many years have given unusual leadership and service to the institution.

History books will record the fascinating tale of Sputnik I and Sputnik II and of other world-cracking events, but this book will record the history of a significant year in the life of each and every one of us. Little wonder that we feel deeply indebted to the Editor and all those associated with her who have made possible this delightful book whose ownership we shall always prize.

ALUMNI HALL STAFF

Remember the first, few, fun-filled weeks of Fall, 1957? Monmouth freshmen found new friends at the exhausting, exciting, and profitable Walk-Out, followed by the lively Tennis Court dance. Only a few weeks afterward, the flu-bug bit, and many Scots were down and out with the sickness. Quick recoveries were made, and things went on, as usual, around campus.

MC'S DRAMATIC MOMENTS

"The Perils of Pamona" or "Passion Midst the Palmettoes" will be remembered as the searing production of last fall. Jan Hamilton as the Indian maid, Pamona, and John Niblock as George Peyton, supported by the rest of a splendid cast, provided an evening up to the tradition of other Crimson Masque productions.

A tomboy maiden of medieval France with an incessant desire to save her country . . . voices from the heavens . . . a crude, drunken Army captain . . . painful, prejudiced inquisition . . . and a martyrdom at the burning stake . . . all these were combined in the Crimson Masque production of "The Lark," given in early December. April Zorn's inspired interpretation of Jeanne d' Arc, plus the solid support of the rest of the cast, turned out a polished performance.

Tired, but industrious Ravelings staff members rose early to work long and hard every Saturday morning to put out another Monmouth yearbook. They'll always remember the mid-morning Union coffee breaks, racking their brains for snappy copy, thumbing through the "Red Book" for correct name spellings, arranging and rearranging pictures on blank pages. The result is a book that will prove to be a lasting memory for many a Monmouth Scot.

Special chapel sessions, union conferences, and informal buzz-sessions at the fraternity houses and dorms completed the week for Monmouth students.

SWIMMING

This year's swimming team, coached by Don Rhoades, failed to win any meets this year but met some tough conference and non-conference teams. Eligible for varsity letters were Dave Bergstrom, Tom Cheetham, George Francis, Dave Johnson, Dick Little, Dick Sloan, Mickey Trevor, Don Wirth, and Pete Weber.

WRESTLING

Scot grapplers won only one dual meet this year but managed to tie two others. Coach Joe Pelisek's squad took a seventh place in the conference meet. Letter winners were Bruce Anderson, Bob Foens, Don Graham, George McFadden, Ed Nelson, Rog Smith, and Andy Urie.

TRACK, 1957

Coach Chuck Larson had eight lettermen back this year from last year's squad which took fifth place in the conference meet held at Monmouth. The Scots also won four dual meets and a quadrangular meet and participated in three relays. Among those returning this season are Bud Cook, Len Gibb, Don Graham, Ed Honath, Bob McKee, Bill Richard, Sandy Robertson and Tad Yarde.

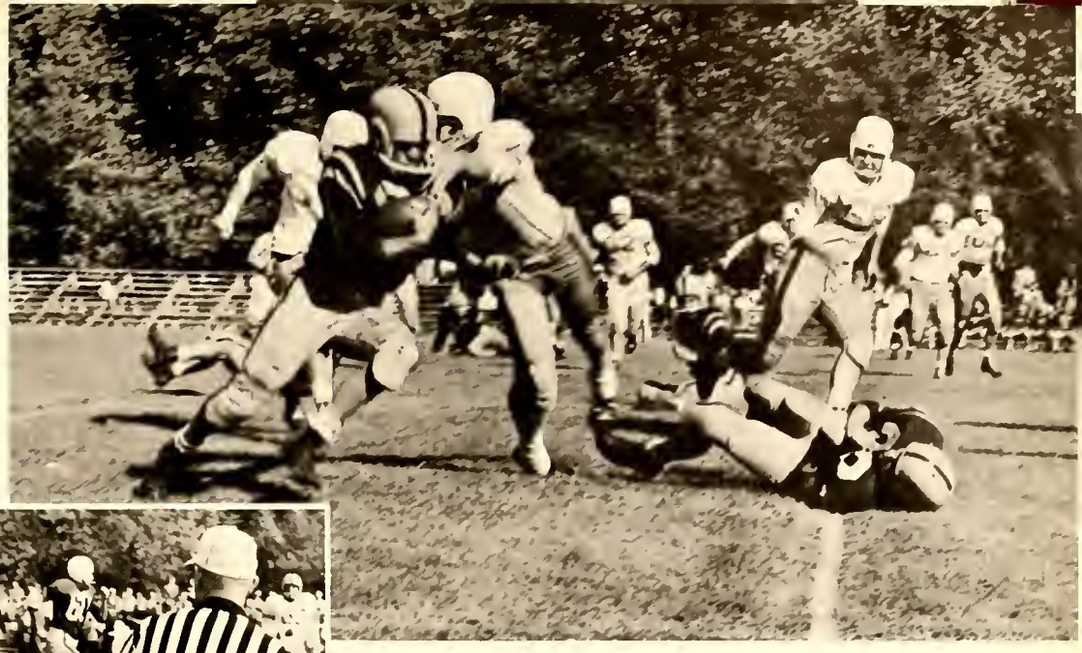

Row 1: McBride, Link, Dollinger, McKee, Glotfelty, Dodder, Wiegel, Rilott. *Row 2:* Rhodenbaugh, Davison, E. Nelson, Drees, Hild, Johnson, Fischer, A. Smith. *Row 3:* Weber, K. Nelson, R. Smith, Robertson, J. Nelson, Herriott, Buda. *Row 4:* Woll, Travelstead, Huber, Cooper, Patton, O'Brien, Pelisek.

FOOTBALL

Although the Scots' football record was not too impressive as far as wins go, the team was trying out on the field every minute. Their "never-say-die" attitude paid off in the final game as they beat Lawrence decisively. The Scots, under new coach Joe Pelisek, faced some tough opponents during their eight game season. Several players received conference honors at the end of the season and Bob McKee was named co-captain of the all-state college team and received professional offers. With a number of lettermen and some promising freshmen returning next year, the team seems certain to better its record.

THE FIGHTING SCOTS

With the return of four starters from the conference co-champions of 1956-57, the Scot basketball team was favored for another great season last year. Although the Scots played well in most games and showed signs of brilliance, the "squeakers" which they had come from behind to win the year before seemed to go the other way this season. The Scots started out with three conference wins but lost to Cornell during Bob McKee's absence with an ankle injury. With McKee back, the Scots gave Creighton University a scare, and won several others, but heartbreaking losses to Knox and Carleton virtually ended their conference title hopes. The Scots finished with an 8-8 conference record and a 10-12 overall record.

BASEBALL, 1957

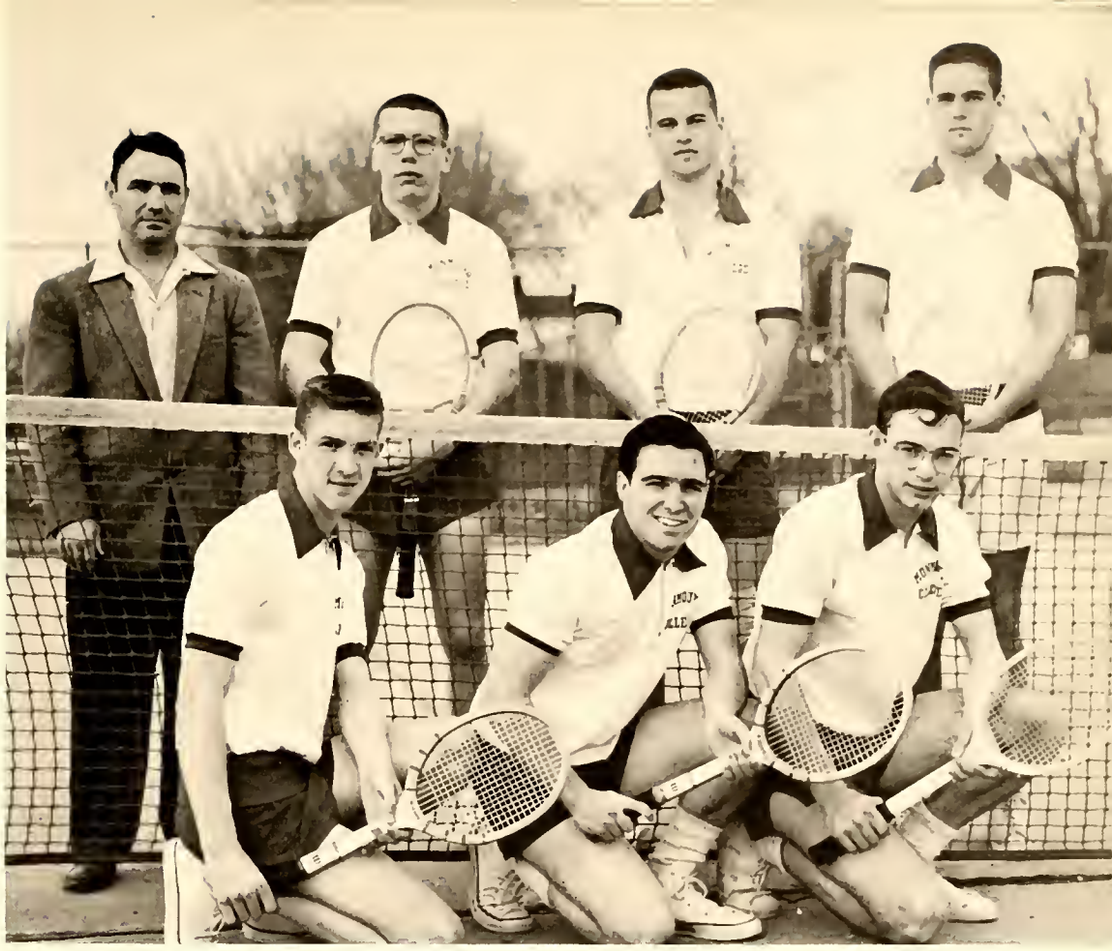

A nucleus of veterans led Joe Pelisek's varsity baseball squad into another tough baseball season this year. Last year's squad compiled a 5-7 record under Coach Kenny Gould. The Scots will again meet some top-flight conference playoffs at the end of the season. Among the candidates for starting positions were lettermen Les Dollinger, Jerry McBride, Jim Syrett, Dave Brown, Dave Johnson, and Whitey Miller.

TENNIS

Three men are back from last year's tennis squad, which did rather well, compiling a 4-5 record under Coach Jim Johnson. Dick Sloan, Bob Wetzel and Bud Wendling are back and other candidates are Bob Reinsberg, Bob Bowen and Paul Lohner.

PAN HELLENIC COUNCIL

Eight sorority seniors, two representatives of each group, compose Pan Hellenic Council, which serves to integrate the activities of the social groups. In addition to regulating rush rules, social problems, and Marshall Hall activities, Pan Hell Council also sponsors several service projects during the school year.

INTER-FRATERNITY COUNCIL

Mutual problems of the fraternities are worked out through Inter-Fraternity Council, which works with the guidance of Dean Ball. These "Greek" campus leaders work toward unified rushing regulations, and also, together with the Pan-Hell Council, organize the annual Inter-Fraternity Sing.

A closer feeling between actives and pledges was established through better understanding of mutual difficulties.

WE'LL REMEMBER ALWAYS

"Weren't we rowdy?"

"Any questions?"

"It won't be long now . . ."

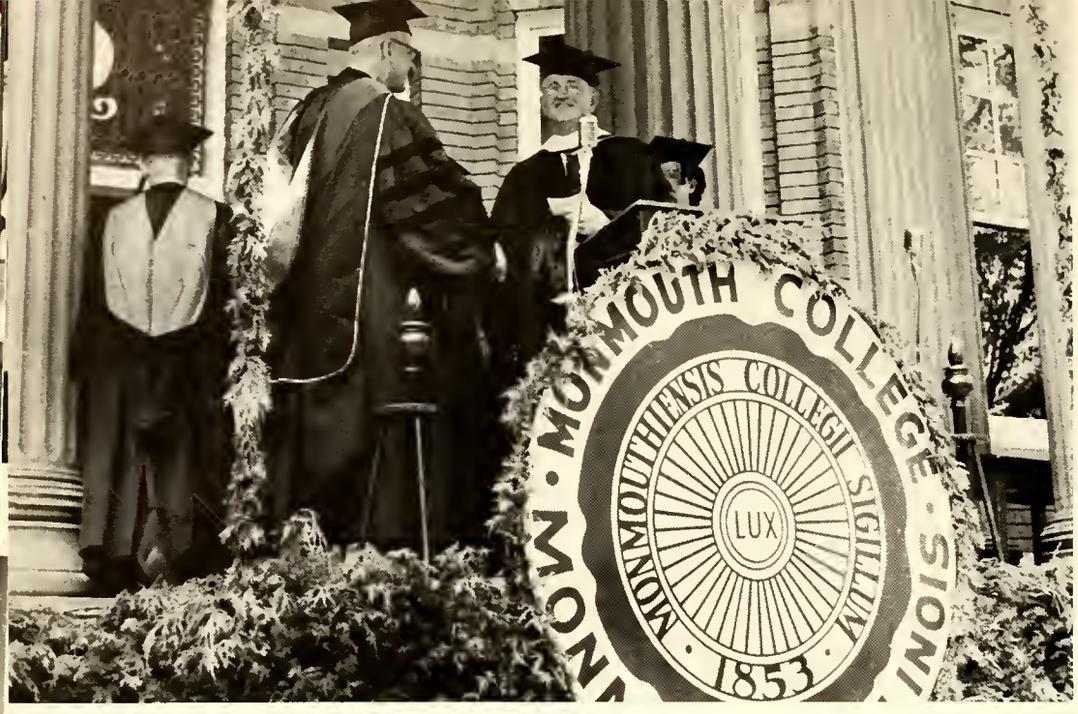

"Announcing . . ."

"Try this on for size"

The impressiveness of "Pomp and Circumstance" . . . the parting words of Dr. Gibson . . . saying last good-bys to classmates . . . eager anticipation of the future — all a part of the excitement of graduation day.
